APPEARANCE

With a stylishly enhanced bevel designed for a bold appearance, the 7400 Series offers exterior coating color options as well as custom colors.

OPERATION

A corrosion resistant Teflon coated, stainless steel, constant force balance system allows for smooth and effortless operation, along with a sturdy lock and keeper system that exceeds forced entry requirements.

EFFICIENCY

The 7400 is designed with a sloped, full capture sill for increased defense against air & water infiltration, and 3/4" warm-edge insulated glass for improved thermal performance.

MIN/MAX SIZING	Min. Width	Max. Width	Min. Height	Max. Height
